STATUS INQUIRY

Applicant through his attorney of record respectfully requests that the status of the above-identified patent application be communicated immediately to his attorney at the address or phone number below. Applicant received the Filing Receipt issued 11/3/2003 that was issued with the Notice to File Missing Parts, however we have not received an Updated Filing Receipt to reflect the completion of the filing requirements that were filed 1/5/2004. Please also note that a Substitute Power of Attorney document was filed, and therefore all correspondence should be mailed to the undersigned.

We are no longer enclosing a self addressed card for the purpose of your returning it to us with the status, because the mail room consistently removes it (even though we staple it, as specified, to the request) and sends it back to us along with the card we provide for the purpose of indicating the receipt of this request.

Respectfully submitted,
